

# Very Young Catholics – January 2024

LOCATION: MOUNT TARANAKI, NEW ZEALAND

DATE: JANUARY 15, 2024

TIME: 2:22 PM

“Hi, everyone! The New Zealand book is going very well! Here are two pictures from my travels this month. In the first picture, I am on a bridge called Te Rewa Rewa. It is designed to look like the ribs of a whale! Framed in the background is Mount Taranaki, the beloved peak that soars over this beautiful, small city.

The second picture is two of the family sitting near some water on Mount Taranaki. The huge sides of the mountain hold many waterfalls and dozens of paths. We did a lot of hiking that day!

Sending blessings from New Zealand—the land of the long white cloud.”
